

NSW Minerals Week

2017 NSW Minerals Council Exploration Forum 'The Rocks and Beyond' - Compliance, Land Access and Exploration Success

Monday 8 May | 9.30am-5.00pm
Parliament of New South Wales (Theatrette) | 6 Macquarie Street Sydney

The NSW Minerals Council's Exploration Forum is the leading exploration event focusing on exploration case studies, regulatory compliance, community engagement and environmental management. The forum will include presentations on leading industry practices and government policy updates to ensure delegates are up to date on all the issues 'beyond the rocks'.

The winner of the NSW Mining Explorer of the Year Award will also be announced at this year's Exploration Forum. This prestigious award recognises the outstanding performance of an exploration company / business / project to further exploration in NSW over the past 12 - 18 months. Entries are now open and close on 24 March.

Further details: www.nswmining.com.au/events/exploration-forum

Registrations open from early April at: <https://nswmceexplorationforum2017.eventbrite.com.au>

The Geological Survey of New South Wales presents:

Exploration in the House 2017

Tuesday 9 May | 1.00pm-6.00pm
Parliament House Theatrette | Macquarie Street, Sydney

Presentations will feature highlights of our recent geoscience projects and implications for NSW exploration. A range of posters and products will also be on display. Networking at a poster session follows, then dinner from 6.30pm at a venue TBA.

NSW Exploration Data Workshop

Tuesday 9 May | 8.30am-12.00pm
Sydney venue TBA

Bring a laptop for a hands-on half-day workshop investigating the Geological Survey's new 3D data models, databases and online information systems.

Networking Dinner

Tuesday 9 May | 6.30pm
Eden Bar & Restaurant
Level 8, MLC Centre, 19 Martin Place Sydney

Please RSVP for numbers only (via details below). Meals & drinks to be ordered and paid for on the night by attendees.
